1. Hey there all you fascists. Let me put you straight.
When you come for the rest of us, we'll fight you at the gate.
And you will lose. You fascists bound to lose.

2. We'll battle ICE together until they cut and run,
Just like in Minneapolis, and when the midterms come ...
You're bound to lose. You fascists bound to lose.

3. To hell with all the cowards who hide behind their masks.
We're gonna win the midterms. We're coming for his ass.
He knows it, too. That bastard's bound to lose.

4. Trying to distract us from the Epstein files.
You gas and beat and murder us, protecting pedophiles
Let's turn the screws.
You pervs are bound to lose

5. America Get ready. Midterms are at hand.
We gotta stick together, folks, and vote to save this land.
It's time to choose.
Those fascists bound to lose
