This land is your land, this land is my land
From California to the New York island,
From the redwood forest to the Gulf Stream waters
This land was made for you and me.

As I was walking that ribbon of highway
I saw above me that endless skyway;
I saw below me that golden valley;
This land was made for you and me.

Nobody living can ever stop me,
As I go walking that freedom highway;
Nobody living can make me turn back
This land was made for you and me.
